Re: Audited Financial Statements

I Sophia Facey, the authorised Officer of Skills and Knowledge For the Future Inc., confirms the company has no audited accounts or financial statements, this is due to not being in receipt of grants or donations to this present date.

Attached is evidence of filed accounts with the Department of Treasury Internal Revenue Service for previous years.

I can confirm; if awarded the grant, the company will provide audited accounts in addition to the required contractual reporting documents for the grant award.

Yours sincerely,

Miss Sophia Facey
Executive Director – Vice President
